The Paradise Township Announces DECLARATION OF DISASTER EMERGENCY

In regards to the COVID - 19 crisis, the Paradise Township Board of Supervisors has declared an Emergency Declaration. The Board believes this was necessary due to the fact municipalities will not be notified when a case is diagnosed that is a resident of the township, or came in contact with individuals in the township.

This action allows the Board to access funding should it become available, and make immediate decisions should they be deemed necessary to address this COVID - 19 crisis.
